Source: California Department of Education. 2018-19 California Assessment of Student Performance and Progress Test Results.

Notes: Only schools with more than 30 low-income Latina/o test takers included.

The LATINA/O STUDENT SUSPENSION FLAG column is based on California School Dashboard. Starred schools either a) received a red rating for Latina/o students on the suspension indicator or b) are in the "very high" status category for Latina/o students on the suspension indicator.
